Child Care

Kit Carson County Human Services is assisting with child care needs in the community. If you are in need of child care or would like to assist in providing child care in the community please complete the following link covidchildcarecolorado.com.

Human Services is taking volunteers who may be interested in providing child care. Any person interested would need to be able to successfully complete a background check prior to providing this service. If you have questions about this please contact Tiffany Ramos at 719-346-7158 ext. 119 or

Blood Donations:

There is an urgent need for blood. Go to vitalent.org to sign up to donate blood.

Medical coverage:

To ensure that Coloradans have the health coverage they need, including for issues related to COVID-19, **Connect for Health Colorado** has opened up a **two-week special enrollment period** for Coloradans who are currently uninsured or are about to lose coverage **due to COVID-19**. That coverage will start April 1, 2020 and **Coloradans must enroll by April 3** to receive coverage under this COVID-19 rule. Please visit <https://connectforhealthco.com> to learn more. Coloradans can also call the Connect for Colorado customer service center at **855-752-6749** or get help enrolling with a certified enrollment expert.

Donations & Volunteers:

Coloradans who wish to donate or volunteer to help those affected by COVID-19 should visit www.helpcoloradonow.com
