# 2021 ABSTRACT OF VOTES CAST COORDINATED ELECTION

*Office of the Kit Carson County Clerk and Recorder, State of Colorado*

## About the Format of this Abstract

### Results Contained in the Abstract

This publication contains the official certified results for the 2021 Coordinated Election for all candidates, and ballot issues certified to the ballot by the Colorado Secretary of State's Office and School Districts.

### Major Changes to Colorado Elections Law

Colorado has begun mailing ballots to all active voters in the state. Prior to 2013, Colorado mailed ballots to voters upon request.

### Results & Officer Information Reported by the Counties

The results in this abstract are more accurate than the compiled and totaled returns reported on the Secretary of State's website immediately after the election because they account for any miscalculations in the totals initially reported by Kit Carson County.

The election results and county officer information in this abstract were obtained the Secretary of State's office and the Kit Carson County records.

### Registered Voters, Ballots Cast, & Turnout

In the results section of this abstract, "Registered Voters" is the number of registered voters eligible to vote in each contest. "Turnout %" reflects the percentage of registered voters whose ballot was counted in each contest.

The county-level turnout, located at the back of the abstract, is provided using both active voters and registered voters.

Colorado statute currently requires that county-level turnout be reported by registered voters. However, prior to 2011, statute required that turnout be reported by active voters. To allow comparison of turnout data throughout the years, we have chosen to provide the turnout data for both active and registered voters.
