42. Live Carcass Contest

Kit Carson County Market Beef Feeding Contest

Ryan & Katie Dobler, Superintendents

Eligibility:

1. All market beef animals must weigh within the current weight requirements for the market beef project. Any overweight or underweight animals will be disqualified.
2. All market beef animals must be shown in their market beef class.
3. All market beef animals must be ultra-sounded on Monday of fair.

Contest Rules:

1. The contest will use the Kit Carson County Cattlewomen's Carcass contest results in conjunction with the average daily gain results of each animal. Each number will be weighted at 50%. For example, if your market beef animal is 3rd in the average daily gain and 7th in the carcass contest your score would be 10. The lowest total cumulative score of carcass and average daily gain wins.
2. In the case of a cumulative score tie, it will be broken by whichever animal has the higher average daily gain. For example, if exhibitor A's animal is 3rd in the average daily gain and 7th in the carcass their score is 10, and exhibitor B's animal is 5th in the average daily gain and 5th in the carcass his score would also be 10. The winner would be exhibitor A for placing 3rd in the average daily gain.
3. In the event of a second tie in the Beef Feeding Contest, the animal with the highest carcass would be declared the winner.

1st place - \$1,300
2nd place - \$ 800
3rd place - \$ 500
4th place - \$ 300
5th place - \$ 100
