2024 ABSTRACT OF VOTES CAST PRIMARY ELECTION

Office of the Kit Carson County Clerk and Recorder, State of Colorado

About the Format of this Abstract

Results Contained in the Abstract

This publication contains the official certified results for the 2024 Primary Election for all candidates certified to the ballot by the Colorado Secretary of State's Office. Congressional District 4 had a vacancy race for the 118th Congressional Seat. This race was on all ballots and Minor Parties received a ballot with only the CD4 vacancy race and the election process was treated as a General Election. There were 39 ballot styles for this election.

Major Changes to Colorado Elections Law

Colorado has begun mailing ballots to all active voters in the state. Prior to 2013, Colorado mailed ballots to voters upon request.

Results & Officer Information Reported by the Counties

The results in this abstract are more accurate than the compiled and totaled returns reported on the Secretary of State's website immediately after the election because they account for any miscalculations in the totals initially reported by Kit Carson County.

The election results and county officer information in this abstract were obtained from the Secretary of State's office and the Kit Carson County records. Due to the CD4 vacancy race, the results were calculated by precinct as well as by party.

Registered Voters, Ballots Cast, & Turnout

In the results section of this abstract, the column titled "Registered Voters" is the number of registered voters eligible to vote in each contest. The column titled "Total" is the number of ballots counted in each contest. The column titled "Turnout %" reflects the percentage of registered voters who cast a ballot in each contest.

Colorado statute currently requires that county-level turnout be reported by registered voters. However, prior to 2011, statute required that turnout be reported by active voters. To allow comparison of turnout data throughout the years, we have chosen to provide the turnout data for both active and registered voters.
