General Rules

## INTRODUCTION

- The catch-it-goat program is under the direction of the catch-it-goat superintendent(s) and catch-it-goat committee.
- Superintendent(s) and or catch-it-goat committee will **NOT** be responsible for any injury or accident.
- Object of the contest is to provide a means whereby younger 4-H members may participate in catching, caring for, and showing an animal at the county fair.
- Sponsors will provide a \$250 sponsorship fee upon successful completion of the project.
- The program will be limited to a maximum of 6 sponsored contestants (three members per age group). May be expanded at the discretion of department superintendent.

## ELIGIBILITY AND AGE REQUIREMENTS

1. Kit Carson County 4-H members currently enrolled and meeting all participation requirements of the Kit Carson County Fair are eligible to participate in the contest and not competing in another K.C.C. catch-it-contest.
2. 4-H members 8-12 years of age by January 1 of exhibit year are eligible to participate. **(Must fall within age group by January 1 of exhibit year.)**
3. Contest may be split into two age groups if warranted. One group will consist of contestants in the 8 through 10 years of age and the other group will consist of those who are 11 through 12 years of age. **Note:** This division will be made at the discretion of the program superintendent(s) based on the number and age of contestants registered. The 8-10 age range will be classified as junior contestants and the 11-12 age range will be classified as senior contestants.
4. No more than two goats may be caught by any one 4-H member during his/her 4-H career. 4-H members will be eligible to participate once in the 8-10 age range and once in the 11-12 age range. (Consideration may be granted, at the discretion of the contest superintendent(s), to repeat an age division due to the lack of contestants.)
5. 4-H members will catch a goat at fair, but will not keep the goat they caught. 4-H members will purchase their goat and follow the 4-H program nomination date and requirements.

## APPLICATION DEADLINE

- Completed application (including signatures) must be received no later than Monday noon of fair week. **Note:** You do not have to wait until fair week, as applications may be turned in to the Extension/Fair office at any time prior to Monday noon of fair.
- Contest will be held Tuesday evening at 6:30 p.m., before the Ranch Rodeo. Contestants must be in front of the grandstands by 6:15 p.m.

## ARENA CONTEST RULES

1. No more than two 4-H members per goat will go into the arena to participate in the contest.
2. Goats will be placed in a pen in front of the grandstands. Halters will be provided for the contest. The halter may not be used as a lariat. To establish ownership, the contestant must halter and take goat to the trailer.
3. The halter must be placed on the animal in the normal way. During the actual goat catching, it will not matter if the halter is placed on the animal so that it can lead from the right or left.
4. While one contestant has hold of a goat, no other person may touch the animal or take the contestant's halter to the member who has hold of the goat.
5. If two or more contestants take hold of the same goat at the same time, it will be returned to the middle of the catching arena and released.
6. If a goat gets away from a contestant with the halter attached, it may then be caught again by any other contestant; however, the halter of the contestant who lost the goat must not be used to catch it. Furthermore, the second, third, etc. contestant who catches the goat must remove the halter on the goat and place his or her halter on the animal.
7. If a contestant cannot halter the goat and get it to the trailer within 5 minutes after taking hold of the animal, the goat will be returned to the middle of the catching arena and turned loose for other contestants who have not caught a goat.
