

2020 Kit Carson County Hazard Mitigation Plan Update

Public Comment Form

Kit Carson County is currently engaged in a planning process to make our community more resilient to disasters resulting from natural hazards, and your participation is important to us!

Kit Carson County, in cooperation with its partners and stakeholders, is now preparing a five-year update of the local hazard mitigation plan. The purpose of this plan is to identify and assess natural hazards and determine how to best minimize or manage associated risks. Upon completion, the plan will provide Kit Carson County with a comprehensive hazard mitigation strategy.

This public comment form provides an opportunity for you to share your opinions and participate in the mitigation planning process. The information you provide will help us better understand your hazard concerns and can lead to mitigation activities that lessen the impact of future hazard events.

Please help us by completing this comment form and returning it no later than **July 31, 2020** or by directing your comments directly to:
