### **4-H & FFA SHEEP & GOAT SHOWS**

The 4-H & FFA sheep and goat projects lean towards the advanced as well as new members. They can work towards raising a market animal or they can further develop their skills by participating in the breeding sheep or breeding goat projects.

During the sheep show you will get to see trimming and showing techniques that are among the most complex anywhere. The sheep will be judged on Tuesday July 23 at 8:30 a.m. The goat show will begin 15 minutes after the conclusion of the sheep show.

All sheep and goats must be inspected before they are unloaded or weighed in. These inspections will take place Sunday July 21 from 4:00 – 5:00 p.m. and on Monday July 22 from 7:00 – 8:00 a.m. Weigh-in will then be held from 9:00 - 10:00 a.m. on Monday.
