REQUEST FOR COPY OF MARRIAGE LICENSE APPLICATION

Generally, the Colorado Open Records Act permits access to a variety of information. However, such access is denied when it would be contrary to any State or Federal statute or regulation. (CRS 24-72-204)

In 2006, Colorado enacted legislation restricting access to Applications for a Marriage License to a person of interest. (CRS 24-82-204) a "Person of Interest" includes an immediate family member of either party to the marriage application. An "Immediate Family Member" means a person who is related by blood, marriage, or adoption. The other exception to the law is release upon a Court Order or if the marriage application record is at least 50 years old. This for is NOT required if a Court Order is present to us. This office will enforce those requirements.

For a copy of the Marriage License Application please complete the following authorization.
